

Breast Health Training Tool

Thank you for supporting LiquidGoldConcept's mission of providing realistic, hands-on breastfeeding education to healthcare providers, students, and parents around the world.

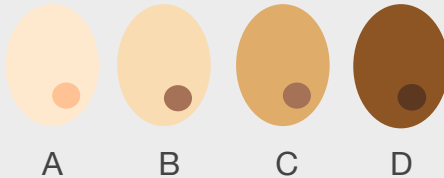

Your Breast Health Training Tool (BHTT) is unique because each BHTT is handcrafted and hand-painted at our facility in Ypsilanti, Michigan.

What's included in your package?

Breast Health Training Tool in the skin tone(s) of your choice

Breast Health Training Tool (BHTT)

Instructions for Care

Always

1. Store the BHTT in the fabric tote bag provided.
2. Wash your hands before and after using your BHTT.
3. Clean your BHTT with mild antibacterial soap or disinfecting wipes between uses.

Never

1. Poke or scrape your BHTT with sharp objects or abrasive surfaces.
